

Foyos, May 13th 2015

VALVULAS ARCO S.L. certifies:

SENA VA30 series is manufactured with CW617N brass alloy according to the European standards EN 12164 and EN 12165.

Raw material is checked in our facilities by the mean of a Spectrometer and following our quality instruction. Any time a deviation in the brass alloy (according to EN 12164 & EN 12165) is detected, the raw material rejected avoiding low quality products.

PRODUCT ENGINEERING

A handwritten signature in blue ink, consisting of several loops and a long horizontal stroke.
